When Sally the zookeeper wishes Mori the okapi a Happy Birthday, Lito, the nosiest of all the gerenuks, is listening at the fence between the two exhibits. Follow along as he gets Elvis the king vulture to help him plan and pull off a surprise party for Mori. Will Mori be surprised? How will all the animals in the zoo get to the party? Find out in: "Zooprise Party / Fiesta Zoorpresa" by Rebekha Delgado.

What started as a family project for the author's nieces, illustrator's and translator's grand children this entertaining picture book has taken flight. As a fully bilingual, English and Spanish, story that has an activity book and a teacher's guide to go with it, this trio truly goes beyond reading.

Intended as a read aloud for small children or for older children who can read it for themselves, it can be purchased at Amazon.com, Target.com, and the publisher's website where you get free shipping and an autographed copy.
