# Frog Toilet Paper Roll Craft

This is a simple three dimensional frog craft that is fun for kids to make and play with.

A different looking frog tp roll craft can be [found here](#).

## Materials:

- toilet paper roll
- printer,
- something to colour with,
- scissors,
- glue, and
- paper

## Instructions:

- Print out the template of choice. (If using the black and white template, try printing on brown construction paper).
- Colour (where appropriate) and cut out the template pieces.
- Glue the large rectangular piece on first to cover the tube. Toilet paper rolls come in different sizes, so if you find the rectangle is a bit too big, just trim it down. If you find it's a bit too small, just cut out another small piece to fill in the gap.
- Glue the tummy on the toilet paper roll.
- Glue on the head and arms.
- Fold the feet tabs and glue to the inside, bottom of the tp roll.
- Glue the fly into one of the hands
