

## Jointed Mori

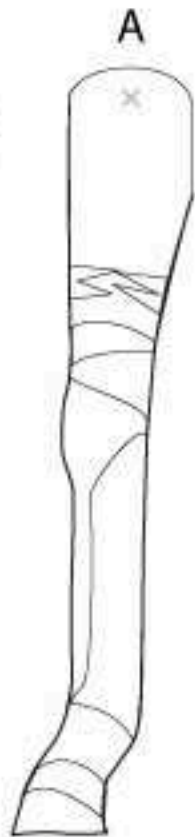

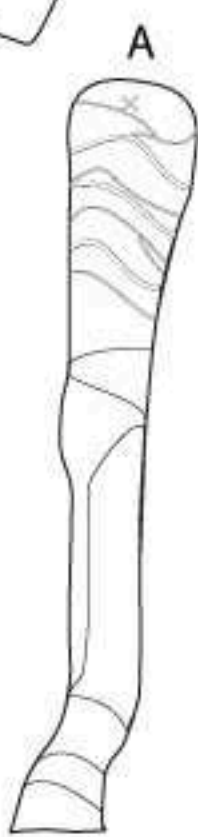

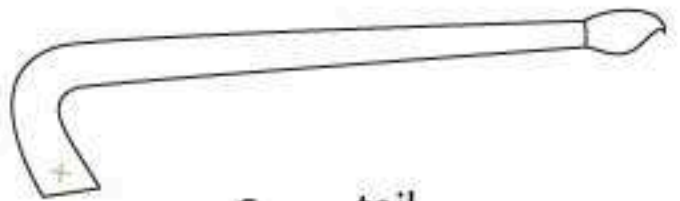

# Jointed Okapi Instructions

1. Color the okapi body.
2. Cut out each piece with help from a parent.
3. Attach the left front leg on top of "A" on the body and the right front leg to the back of the body on the "A."
4. Attach the left back leg on top of the "B" of the body and the right back leg to the back of the body on the "B."
5. Attach the tail to the "C" on the back of the body.
6. Attach the head/neck to the "D" on the front of the body.
7. Have fun playing with your jointed Mori the okapi.
